## 2027 INTERNATIONAL CONFERENCE ON SYSTEM SAFETY AND SECURITY

**Savannah, GA, USA** | November 3rd-5th, 2027

We would like to invite you to participate in 2027 International Conference on System Safety and Security (ICSSS), which will be held at Georgia Southern University, Savannah, GA, USA from November 3-5, 2027. ICSSS is an annual international conference dedicated to advancing research and innovation in system safety and security. The event brings together leading academics, industry professionals, and policymakers to exchange ideas and address emerging challenges in these critical fields. We invite submissions of original research papers on any topic related to system safety and security, including theoretical foundations, methodologies, tools, and real-world applications. Both fundamental studies and applied research are welcome.

We look forward to your active participation and greatly anticipate welcoming you to ICSSS 2027.
